RED DIGNITY D DICE FOR DOUBLE WORD SCORE

If you would like the chance to claim an additional double your word score you need to use one of the words in the table below and before you complete your turn place the red dice on top of the word to claim the double word score.

You can use the dice on other words not listed PROVIDING you can persuade the other players that the word used positively reflects Dignity, Respect, Human Rights or Equality.

There are 10 red dignity D dice and therefore 10 chances to get a Dignity double word score in any one game.
