The list of proposals was presented to Cabinet on 14th November 2018 to enable the Counc to achieve the required savings of £14.7m for 2019/20. Please give us your views on the savings proposals outlined. You may wish to indicate if you strongly agree or disagree with any of the savings listed for the next financial year giving reasons for your views.	
To achieve the required savings, the proposals are based on a council tax increase of 6.95% for 2019/20. Please select one of the following options to tell us your preference about countax. Please select ONE only.  I support the proposed increase in council tax (6.95%) which would mean an increase of £1.4 per week for a Band D property	cil
I support a <b>lower increase</b> in Council Tax. (Every 1% reduction from the proposed 6.95% would mean having to find a further £496k of savings)	
I support a <b>greater increase</b> in Council Tax. (Every 1% increase above the proposed 6.95% would means having to find £496k less savings)	
I do not support an increase in Council Tax and understand that this would mean having to find further savings to balance the budget.	

If you feel that the proposed budget cuts in a specific area will affect you as an individual (positively or negatively) because of any of the following (your ethnic origin, sex, age, marital status, sexual orientation, disability, gender reassignment, religious beliefs or non-belief, use of Welsh language, BSL or other languages, nationality or responsibility for any dependents) please give details below.
