I was never made to feel ashamed or embarrassed, only that there was a way out of this situation and that you were there to help whenever you could.*

“

We feel for the first time in years we can see the light at the end of the tunnel, we see a future and we are getting our lives back on track.*

How the helpline works

Counsellors will conduct a full review of your situation followed by a recommendation. You will need to provide information such as details of your debt, assets, income and expenditure.
