

## MEDIUM-TERM FINANCIAL PLAN

### SAVING PROPOSAL- BUDGET IMPACT ASSESSMENT

DIRECTORATE:	Education and Corporate Services
SERVICE AREA:	Learning, Education and Inclusion

#### 1. GENERAL INFORMATION

SAVING PROPOSAL TITLE:	50/50 Building maintenance (LA/Schools). Temporary savings proposal, recommendation to fund (to this value) from earmarked LMS Contingency balances in 2024/25.
BUDGET AREA:	Education
TOTAL BUDGET FOR THIS AREA:	£346,320
TOTAL SAVING:	£346,320
PLEASE PROVIDE A BRIEF DESCRIPTION OF HOW THE SAVING CAN BE ACHIEVED:	
<p>Following the introduction of the Fair Funding Regulations in 2022, the Directorate retained a small residual budget to assist in supporting lower value capital schemes of work. This budget has typically been used to enhance the core capital programme by offering assistance on a 50/50 basis to support school projects (in-line with key maintenance priorities). Schools submit bids annually in the Autumn term for consideration for the following financial year.</p> <p>It is proposed that the full budget is taken as a temporary saving in 2024-25, with a review for future years. However, it is also proposed that in 2024-25, approval is sought to utilise ring-fenced LMS (Local Management of Schools) Contingency balances to support the full £346k (temporary saving). Subject to the appropriate approval this would ensure that there is no impact with regards to this savings proposal in 2024/25.</p>	

#### 2. PUBLIC IMPACT ANALYSIS

PLEASE DESCRIBE YOUR PLANS TO MITIGATE THE <b>IMPACT UPON THE PUBLIC (where possible):</b>
<p>Consider the 5 ways of working think about the <i>long-term</i> implications for future generations and <i>preventative services</i> while recognising that savings now will secure future services. <b>NB* IT IS IMPORTANT TO RECOGNISE THE SIGNIFICANT FINANCIAL CHALLENGE FACING THE COUNCIL.</b></p> <p><b>Long-term guidance:</b> Consider the importance of balancing short-term needs with the need to safeguard the ability to meet long-term needs, including the future financial sustainability of the Council.</p>

Currently the proposed saving of the full 50/50 maintenance budget (which matches with up to £346k from our schools) is for 1 year only. Subject to approval of the use of LMS Contingency balances in 2024/25 there would be no impact. However, it is acknowledged that to retain this savings proposal for future years would have an adverse impact on school buildings unless alternative funding was secured.

**Prevention guidance:** Consider whether the proposed saving is affecting a preventative area that reduces future burdens and supports well-being and how this can be mitigated if the service reduces, or ceases.
