e.g. gradual reduction in service, alternative delivery models, managing demand, more efficient use of assets, income generation, transferrable skills of staff, commercialisation of the service etc.

In addition, consider the 5 ways of working, in particular, acting in *collaboration* with other service areas or partners.

**Collaboration guidance:** Acting in collaboration with any other service or partner to meet objectives where they may be able to deliver a broadly equivalent service.

Agile working contributes to the Councils Decarbonisation Strategy as there is less travel and less use of the office.

## PLEASE DESCRIBE YOUR PLANS TO MITIGATE THE IMPACT UPON MEMBERS OF STAFF:

Staff are incurring less transport costs as part of agile working and also the demand for office related duties has reduced eg photocopying and stationery as staff are not in the office as much as they were in the past.
